TEC TALK NEWS

NOVEMBER 2021

LET'S TALK TURKEY.

Believe it or not, now that Trick or Treat is over it's time to finish off those treats and get out that butterball turkey. So that you can plan ahead, please remember that there is NOT a trash pickup on Thanksgiving Day.

As long as we're at it, there are only two other days when the trash will not be picked up. Both Christmas Day and 4th of July will not have trash pickup. Please do not put your trash cans out. The regular trash pick-up schedule will resume after the holiday.

**EVIDENTLY MORE DISCUSSION ABOUT FEEDING WILDLIFE IS
NEEDED.**

Do not under any circumstance put out food for ANY animal.

This may not affect you, but several homeowners have had to get screening repairs because the cranes have pecked holes in their screen trying to get food. This absolutely includes no feeding the ducks! Let's look at the reality, no animal should be fed any kind of food that they wouldn't naturally come across in their search for food. Ducks do not eat French baguettes naturally and in fact bread is harmful to their digestive system.

REMINDER FOR ANYONE PLANNING A ROOF REPLACEMENT.

Before you get too far into planning a new roof, please complete an Architectural Request form located in the clubhouse along with a copy of the contract including the name of the shingle on it. If an incorrect shingle is installed, please be warned that you will have to have it removed and replaced with the correct shingle. There is info in the Clubhouse on the bulletin board regarding the approved shingle options. Leave all your completed documents in the clubhouse office mailbox.

HURRICANE SEASON IS ENDING SOON!

We've been very lucky this year weather wise, yet as usual there are exterior cleaning and repair projects that are going to be needed next year. Why not get ahead of the projects before the very busy holiday season gets here and start now.

REPLACEMENT OF ILLEGIBLE SIGNS.

New signage will be installed where replacements are needed.

LADIES LUCHEON DATE

The next monthly Ladies Luncheon will be on November 8th @ 11:30 at Tako Tiki located at 3340 NE Pineapple Ave., Jensen Beach. If you are planning to attend please sign up in the Clubhouse.

GET WELL WISHES TO:

Mary White has been hospitalized recently and we'd like to send her our good wishes to feel better.

Why do French people eat snails?

They don't like to eat fast food!

What's a foot long and slippery?

A slipper!
