LET'S TALK TURKEY

Believe it or not, now that Halloween is over it's time to finish off those treats and get out that butterball turkey. So that you can plan ahead, please remember that even though Thursday is our regular trash pickup, there **WILL NOT be a trash pickup on Thanksgiving Day.** Refer to the Port St Lucie website to see if they plan as usual to just delay the weekly pick up until the following day.

HURRICANE SEASON IS ENDING SOON!

We've been very lucky this year weather wise, yet as usual there are exterior cleaning and repair projects that are going to be needed next year. Why not start now. If you need a reminder as to what areas are going to be inspected, pick up a copy of the inspection form from the Clubhouse bulletin board.

STREET LIGHT OUTAGES

We are aware that there are several areas throughout the complex that were affected by the high winds of Ian. We have been trying since the storm to get any electric company to come out and identify the problem. Unfortunately, the few who did come to look were unable to determine the cause of the problem. The Board is continuing to work on this issue as well as solutions.

LANDSCAPE UPDATES

The Association will be starting a project to replace around 150 ft sections of hedges at a time that surround the backside of the homes on the outside perimeter of the circle. The order of sections to be replaced will be determined from worst damaged to least damaged with some of them not needing any replacement whatsoever. The first replacements should be done by the end of the year. A schedule for the next section to be completed is yet to be determined.

Landscape maintenance has now started it's every other week services.

CHRISTMAS SEASON IS AROUND THE CORNER

There is a box inside the clubhouse for Toys for Tots. If you are able, please place an unwrapped package in the box for donation. The cut-off date is December 12, 2022.

LADIES LUCHEON DATE

The November luncheon date is November 21 at Gator Trace Golf and Country Club. The address is 4302 Gator Trace Drive, Ft Pierce. The restaurant is at the Country Club. The time is the same as usual, 11:30.

GOLF HUMOR!!!

It was a sunny Saturday morning at Gator Trace Golf and Country Club and Mike was beginning his pre-shot routine, visualizing his upcoming shot, when a voice came over the clubhouse speaker: "Would the gentleman on the ladies' tee please back up to the men's tee!" Mike was still deep in his routine, seemingly impervious to the interruption. Again came the announcement: "Would the man on the women's tee kindly back up to the men's tee! Please!" Mike had had enough. He turned and shouted, "Would the announcer in the clubhouse kindly shut up and let me play my second shot!"

The next monthly meeting is November 8, 2022 at 10:00 in the clubhouse.
