HURRICANE SEASON IS ENDING SOON!

We've been very lucky this year weather wise, yet as usual there are exterior cleaning and repair projects that are going to need to be completed by mid-January. Why not start now. If you need a reminder as to what areas are going to be inspected, pick up a copy of the inspection form from the Clubhouse bulletin board.

LANDSCAPE UPDATES:

The Association is having the dead row of bushes in front of the clubhouse removed and replaced with a no maintenance product.

Landscape maintenance has now started it's every other week services.

CHRISTMAS SEASON IS AROUND THE CORNER:

There is a box inside the clubhouse for Toys for Tots. If you are able, please place an unwrapped package in the box for donation. The cut-off date is December 8th, 2023.

LADIES LUCHEON DATE:

The November luncheon date is November 6th at The Thirsty Turtle on Port St Lucie Blvd. The time is the same as usual, 11:30. If you are able to attend, please sign up in the Clubhouse on the bulletin board.

TIME FOR HUMOR:

In a forest, a little turtle was trying to climb a tree. After hours of effort, he reached the top, then he balanced himself and jumped into the air waving his front legs. He immediately crashed to the ground. After recovering for a few minutes, he slowly climbed the tree again, jumped and fell to the ground. All this time, a female and a male bird sat together on a tree limb watching his efforts. After he fell for the third time, the female bird turned to her mate and chirped, "Honey, I think its time we tell him he was adopted."

The next monthly meeting is November 14, 2023 at 10:00 in the clubhouse.
