**BINGO:** Yes, you remember BINGO, don't you?

It is now on Monday which you won't remember. Meet in the Clubhouse at 7:00 p.m. and please wear a mask if you have not been vaccinated.

**POOL REMINDER:**

No matter if it is you or someone you have invited to the pool, be sure to close and secure the pool umbrellas you have opened, or any umbrella that is open if you are the last one to leave. When it is windy an umbrella can get an under draft, blow into the pool and cause damage to the pool and probably break the umbrella. Be sure you and your guests know and follow the rules.

**2, AND ONLY 2 APPROVED ROOF REPLACEMENT SHINGLES:**

1. Tamko Heritage Premium Olde English Pewter.
2. Owens Corning Duration Series Antique Silver.
