TEC TALK NEWS

OCTOBER 2020

Fall has arrived, though not in southern Florida. We have been lucky so far during this crazy hurricane season. Let's keep our fingers crossed for the next two months.

Phase 1 of the lake restoration will start in January 2021. Sunshine Land Design would like to start the project after hurricane season.

After many complaints about cars that were parked all day long near the mailboxes, we now have 2 designated mail pick-up parking spaces. That should make it easier picking up your mail.

We have found that some of you are using the Clubhouse trash can for your personal household trash. We are asking that if you do, please remember to place our trash can out for pick-up. Imagine my surprise while cleaning out a cupboard in the office and I had no room for what I was throwing out. Without any functions going on in the clubhouse during this Pandemic there was no reason to think that the trash can was full. Thank you for your cooperation.

REMINDER: If you have a new telephone number or email address, please let us know by sending an email or dropping a note in the clubhouse.

As you know we lost Helmut Rothermel last month. Due to your overwhelming generosity and appreciation for a man who did so much for this community, Carol and I were able to order 2 memorial benches for Tropical East. Helmut just loved to socialize and we hope he is looking down on Tropical East and smiling. He will be missed.

Please everyone, stay safe!

The next Board of Directors meeting will be held on
October 13, 2020 at 10:00 a.m. in the Clubhouse.

SOCIAL NEWS

I can't believe another month has gone by and we're still not playing bingo or going out to our Ladies Luncheons.

SICKNESS/ SYMPATHY

A few of our friends and neighbors have been in the hospital. We are hoping that Mary Ann Trezza, Joan D'amour, Ann McIntire and Bob Rydzewski are all feeling better.

Our thoughts and prayers go out to Suzie and her family on the loss of Helmut.

Scientists say the universe is made up of protons, neutrons and electrons. They forgot to mention **MORONS!**

Did you ever notice that when you put the two words "THE" & "IRS" together, it spells "THEIRS".

When this virus thing is over, I still want some of you to stay away from me.

May you always have:
Love to share.
Cash to spare.
Tires with air.
