# TEC TALK NEWS

MAY 2017

---

Most of our Snow Birds have headed north. Those of you that are still here enjoying our beautiful weather, I am sure will be gone by the end of this month. Have a wonderful summer and we will see you all in a few months.

Thank you to everyone who have completed the repairs to their homes. We are down to 1 home that still needs to have their repairs completed.

At our next meeting on May 9, 2017 at 10:00 a.m. – John from PHL Land Care will be here to address any questions or concerns you may have.

We have been asked by some homeowners to make a request that your trash cans and recycle containers not be put out in the street on pick-up days. Our road is very narrow and it is dangerous when cars are driving around our circle and the trash cans are in the road. Please try to keep them at the end of your driveway.

**REMINDER:** If you have overnight visitors and leave a car parked in one of our lots overnight, a form needs to be completed and left at the office and a parking permit should be on the dashboard. Failure to do so could result in a \$100 fine. Forms are on the wall in the clubhouse.

**THANK YOU:** I have seen many new faces at the pool these past few weeks and I have not had to put one noodle away or close any umbrellas. Thank you for making your visitors aware of the pool rules.

There will be 2 Memorial Services this month. One for Ed Hunter (Nancy Coccia's husband) and another for Vicky Hansson. Information for both will be on the bulletin board.

**TEC TALK NEWS WILL BE TAKING A BREAK FOR THE SUMMER**

The next Board of Directors meeting will be held  
on May 9, 2017 at 10:00 a.m. in the Clubhouse.
