# TEC TALK NEWS

SEPTEMBER 2017

---

Hope everyone is having a wonderful summer. It is still very hot here. Our hearts go out to everyone in Texas as they are dealing with Hurricane Harvey. Let's hope and pray that we continue to have a calm hurricane season.

We are looking for volunteers who are available to put up hurricane shutters for those that need help should we have a hurricane. Please leave your information at the clubhouse office if you need help or are willing to help so that we have the information available when needed.

As you know Tropical East has a new email address: [tropicaleast1@gmail.com](mailto:tropicaleast1@gmail.com). If you are planning to use the Tropical East wifi, the log-in information is on the bulletin board in the clubhouse.

The Board of Directors will be meeting with various asphalt companies in the next month or so and we will pass on their recommendations.

We have been getting complaints about many of you not picking up after your dogs. No one enjoys stepping on your pet's waste or noticing it on the lawn. As a pet owner here in Tropical East picking up after your pet is a MUST!!!

REMINDER: Before making any changes to the outside of your home you must get Architectural approval. The forms are on the wall in the clubhouse.

REMINDER: If you have a new telephone number or email address please notify the office of these changes. Thank you.

The next Board of Directors meeting will be held  
on September 12, 2017 at 10:00 a.m. in the Clubhouse.

Feelings

People will forget what you said.  
People will forget what you did.  
But people will never forget the way you made them feel.

If you want to be trusted, be honest.

Accept what is.  
Let go of what was.  
Have faith in what will be.
