TEC TALK NEWS

OCTOBER 2016

It is still very quiet around here, but I am sure some of our Snowbirds will be arriving this month and next. Hopefully the hurricane will not be a problem while they are travelling.

The Budget Committee will be meeting soon to go over the 2017 Budget. Please check the bulletin board for details.

REMINDER. Pet owners MUST pick up after their dogs at all times. Some of you are not doing this and the violation could result in a hundred dollar (\$100.00) fine.

REMINDER. Do Not Speed in Tropical East. We have many people riding bikes and walking around our circle. It is very dangerous to have someone doing 30 mph or more. The speed limit is 15 mph.

REMINDER. If you have overnight guests parking in one of our lots overnight, a form needs to be completed and left at the office and a parking permit should be on the dashboard of the vehicle. Forms are on the wall in the clubhouse.

Thanks again to Susie & Helmut for painting our mailboxes (doing this in temperatures in the 90's and high humidity).
They look great!!!

The next Board of Directors meeting will be held
on OCTOBER 11, 2016 at 10:00 a.m. in the Clubhouse.

SICK/SYMPATHY

Our sad news continues. We lost 2 long time friends and neighbors this past summer. Joan McCoy passed away in August and John Dunn last month. Our thoughts and prayers go out to their families.

Also, Paul Maraio and Vicky Hansson were recently in the hospital. We are sending them wishes for a speedy recovery.

Thanks to Joanne Hurd for hosting our last luncheon at La Marimba's. It was wonderful as usual. Watch the bulletin board for details on next months date and place.

JUST SAYIN'

It's okay if you don't agree with me....I can't force you to be right!

The Board of Administrators thank you for your understanding, respect, and prompt community cooperation and participation.

Sincerely

Board of Directors
