OCTOBER 2017

Happy Fall, though it still feels like summer here in Florida with the heat and humidity. Just one more month and we'll have forgotten about the complaining we did about how hot it was.

As you know we have been very lucky so far during this hurricane season. Let's keep our fingers crossed for the next two months. Our hearts go out to those who have not been as fortunate as they still wait for water and supplies.

If you need to park a car in one of our lots overnight, you need to complete a parking permit and dashboard form. They are in the clubhouse on the bulletin board. With cars recently being vandalized in Tropical East we need to be vigilant. We need to know that the car in the lot belongs there. If you see anything that seems strange CALL 911!

**REMINDER:** We have received many complaints from homeowners, about those of you that are not picking up after your dogs. I for one who does not have a dog, do not enjoy having to pick up after someone else's. The pet owners that are considerate and always carry a plastic bag with them for their own dogs are also not happy having to pick up after a dog that is not theirs. We are asking for your cooperation in this matter.

Just a reminder that food and alcoholic beverages are not allowed at the pool, only water in plastic bottles. We have found empty wine bottles and soda cans on the ground. We have been advised that people have had beer bottles and snacks at the pool. Please, you are more than welcome to use the patio to eat lunch and snacks but they do not belong in the pool area.

Please do not leave any food or beverages in the refrigerator or cupboards in the clubhouse. When the Social Club is having a function, they need every bit of space in there. Putting food or beverages in the refrigerator while you're at the pool is fine, but please remove them when you leave.

If you notice a problem with the sprinklers, landscaping or anything out of the ordinary please complete a Maintenance Request form which you will find hanging on the wall in the clubhouse.

The next Board of Directors meeting will be held  
on OCTOBER 10, 2017 at 10:00 a.m. in the Clubhouse.

Somebody has said that there are only two kinds of people in the world. There are those who wake up in the morning and say, "Good morning Lord".

And then there are those that wake up and say, "Good Lord, it's morning".

The best revenge is always to just move on and let karma do the rest!

The next Board of Directors meeting will be held  
on OCTOBER 10, 2017 at 10:00 a.m. in the Clubhouse.
