# TEC TALK NEWS

MARCH 2017

---

## HAPPY SAINT PATRICK'S DAY

Thank you to everyone who has returned their Inspection form stating that the repairs on your home have been completed, and those who have informed me that the work on their home is under contract. I would appreciate the remaining forms being returned as soon as possible. Remember, these inspections are the reason that Tropical East looks as if it is a brand new community.

You may be aware that the Board of Directors have voted to go with a new Landscaping company. PHL Land Care Inc. will start in Tropical East the week of March 20, 2017. A letter will be sent out later this month.

Just a reminder that no cars should be parked on the street, our road is too narrow. We have had a few situations in here lately where cars were not able to get through because of cars parked on the road. Think of your neighbors should an emergency vehicle need to get in here.

**REMINDER:** Steve Jungjohan from the city of Port Saint Lucie will be here in the clubhouse on Thursday, March 2nd at 9:30 a.m. to speak to us about asphalt.

**PLEASE, PLEASE, PLEASE** Do Not put a check in the drop box unless it is in an envelope or some other wrapping. Your check can slip through the opening of the bottom of the box and some have even landed on the floor.

**BEWARE:** The alligator is back. Please do not leave your pets unattended.

Wishing a speedy recovery to Ray Bisesto who recently had surgery and Paul Maraiio who is sporting a brand new cast on his right hand. And to everyone who has had bouts of bronchitis, here is hoping you are all on the mend.

The next Board of Directors meeting will be held on March 14, 2017 at 10:00a.m. in the Clubhouse.
